ABOUT US

Learn active coaching (LAC) deliver exciting and challenging PE and sporting activities to children in nurseries, schools and the wider community.

Our team build on extensive experience of the early years, primary and secondary education sectors in order to bring a professional edge to schools in the community.

Created by a PE professional with a desire for best practice in all areas, our company offers a wide range of flexible services to meet the needs of nurseries, primary and secondary schools in the west midlands.

“ We work in line with the Ofsted guidelines ensuring excellent staff to pupil ratios and a team of sport educators who are not only qualified and experienced but trained in first-aid and DBS checked. ”

SAFEGUARDING CHILDREN

Learn active coaching place great importance on the Safeguarding of children. We work with our clients to ensure we are following best practice and all the correct procedures. All employed coaches have enhanced DBS checks and all other appropriate checks are undertaken on employees before being allowed to working for learn active coaching.

COMPREHENSIVE RECRUITMENT PROGRAMME

All employees and volunteers are required to comply with our Child and Vulnerable Adults Protection Policy which is Available upon request.

Offering teachers and parents uncompromised peace of mind.

PPA COVER AND CURRICULUM PE SERVICES

With foundations firmly based in education, and a wealth of experience spanning primary and secondary years, LAC delivers excellence in PPA and curriculum PE.

We recognise that the need of every school is different, and our fully flexible services can be tailored to meet the specific requirement of each individual client.

PROFESSIONAL SPORTS EDUCATORS

Our trained sports educators are qualified to deliver all areas of the PE curriculum, using a wide range of resources. Our sport educators take control by planning structured sessions to keep children active and engaged while learning new skills.

COMPREHENSIVE SESSION PLANNING AND REPORTING

Attention to detail in planning and preparation ensures that continual assessment for learning can be linked to the four strands of the curriculum, enabling us to effectively monitor progress and provide clear, insightful reporting processes.

COST EFFECTIVE PROGRAMMES AND SOLUTIONS

LAC understand that the budget cuts schools are forced to make which can decrease the chances of securing quality PPA cover. We can offer packages to meet your schools needs within your budget.

SPORTS STRATEGIES

Having established a full understanding of your current situation, we will help to shape initial concepts into concrete strategies, with the focus and direction needed to meet clear objectives.

COMPREHENSIVE REPORTING

On a functional level, we will support the provision of additional headcount, ensuring that the service is delivered to plan.

We also provide an impartial reporting service for those clients who wish to monitor and evaluate external/joint projects with a view to achieving sustained and continual improvement.

MENTORING PROGRAMME (CREATIVE MINDS)

LAC provide a mentor and wellbeing programme called Creative minds. Our creative minds programme is designed to help remove the barriers to learning for young people.

We work with schools like yours to create a programme to achieve a desired outcome alongside a structured plan to achieve our goals. LAC work with groups of children and on a one to one basis over a number of weeks

The programme includes a number of theory lessons to encourage positive thinking and target setting followed by practical sessions to practice relaxation techniques and co-operation skill and much more.

Our creative minds programme has helped schools achieve the following outcomes: Improved teamwork, improved self-esteem, anger management, improved social skills and much more.

OUT OF SCHOOL HOURS PROVISION

In response to a growing need for wrap-around care, LAC offers a wide range of activities that can be booked to take place before, during and after the school day. We also offer provision at weekends where demand calls for it.

We deliver breakfast, lunch and after school clubs to meet the needs of your school. LAC are happy to take control of the wrap around care at your school.

Our clubs not only develop PE skills, but can be used as platforms to enhance confidence, promote active participation and encourage healthy competition often with the opportunity to compete against other local schools.

BESPOKE ACTIVITY PACKAGES

Breakfast clubs - Reliable and consistent wraparound childcare is vital for all parents and children. Our Breakfast Clubs are delivered by our experienced and qualified staff who are all DBS checked. Children are provided with a breakfast for an additional cost, and have the opportunity to participate in other activities such as: board games, sporting activities, dance and much more.

Lunch clubs - Our lunch clubs are aimed at providing structured activities to keep children active and focused during lunch time. With a wide range of activities on offer our lunch clubs have been successful as children have stayed out of trouble and remained active during lunch time.

After school clubs - LAC provide After School Clubs with the focus on enjoyment and engagement during the session. We provide opportunities for children to develop in sport. We can also deliver extra-curricular sports such as: tri golf, archery and fencing.
